

Report to FIT Mundus:

- Contact with EULITA: mainly discussions and information about our future projects, invitations etc.
- Contact with EUATC: Meeting with Rudy Tiry concerning the situation on the European market and TTIP
- Contact with CIUTI (Attendance at the CIUTI Forum in Geneva: Eyvor Fogarty and Natascha Dalügge-Momme): development of future common projects for professional associations and EMT universities in Europe. Has to be continued
- Contact with WIPO (position on the impact of TTIP?). Requirements for translator qualifications? Does TransCert fit in? Are there any other qualifications possible?
- Contact with NATO: criteria for working in Brussels, job offers to be regularly communicated. Inquired NATO's position concerning Afghan translators/interpreters (they don't have to have one – matter of countries)
- Contact with DGT: article concerning translators in danger
Letter concerning TransCert – next project: FIT Europe would like to be involved, as expressed by the member associations
- Letter to support translators and interpreters in danger, to be used necessary by member associations: a small relevant article will also appear in Translatio
- Project: comparison of the admission criteria of associations in Europe: as translators and interpreters are travelling/working and become members of different associations in different countries, it might be of interest to know the working and membership requirements in other countries
- Project: platform for interpreters and translators in Europe: initial input is being gathered, has to be continued
- Gathering information concerning translation houses: has been started last year and has to be further continued
- Monitoring to be continued: revised key words and themes: it is important to follow the proposed laws in the different countries and EU regulations, in order to be able to react immediately and appropriately for the benefit of our colleagues
- TTIP: preparing a position paper, together with Council member R. Ensor
- Social media for FIT Europe: Facebook, LinkedIn, Twitter: Facebook and LinkedIn landing page has to be created. Twitter: not decided yet who will be the twitter
- Preparing the next annual meeting together with the CBTI – CBTI's 60th birthday: a speech from N. Dalügge-Momme and Henry Liu is expected. A touristic program and the facilities for a stay in Brussels will be elaborated by the Belgian Chamber
- Letter of support for Danish association: concerning the case of sworn translators and interpreters
- Letter of support for "Charlie Hebdo"
- TTIP position paper (discussed with ATA and EUATC): has to be finished soon (s. above)
- Letter to Prof. Budin and A. Krause concerning the continuation of TransCert with FIT Europe as a partner, not on the advisory board: involvement in a future TransCert project underlined in this letter
- Attendance at the meeting in Opatia (Croatia): Annette Schiller. Translating Europe by DGT
- Correspondence with Lind-Web: concerning formal and non-formal education

- Working group to be established on Professional Development: future project. Several interested persons and colleagues have already accepted to take part in the working group
- Amendment of the FIT Europe Regulations: not yet finished. On the website, the terms have already been corrected, but not in the Regulations
